Introduction of 10+2 Scheme in the Country

* 13. DR ABRAR AHMED KHAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the new 10+2 scheme has been implemented by all the States; if not, what are the reasons therefor;

(b) what are the criteria for implementing the said scheme and whether it is introduced from class 9 onwards or from higher classes as well;

(c) whether Government have issued any directives to the State Government regarding the said scheme; and

(d) whether the Rajasthan Government is bringing those students also under the said scheme, who had already

got their admission in Higher Secondary and in graduation courses under the old education scheme; if so, what steps are being taken by Government in this regard?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI L. P. SHAHI): (a) Yes, Sir. 10+2 scheme has been implemented by all the States.

(b) and (c) The Kothari Commission recommended uniform applicability of 10+2+3 system in the country. This recommendation was reflected in the Education Policy of 1968 which recommended 10+2+3 structure. In pursuance of this policy the States have been switching over from 11 Year Higher Secondary to 12 Year Higher Secondary and the process has now been completed in all the States. The National Policy on Education 1986, has reiterated uniform structure of school education as a part of the national system of education.

(d) Enrolment in Class XII under the new 10+2 format has started in July, 1988 in Rajasthan. However, students have also joined Class XI and Graduate Courses under the old scheme. The State Government intends complete switchover to 10+2 system from the coming academic session.
